The Asian American Theater Company's Exponential Arts Program and *LIVE* from THE MEXICAN MUSEUM are proud to present the CHICANO SECRET SERVICE in LOCURA LO CURA / A LITTLE MADNESS WILL CURE IT. Performed by the three man humor troupe of Tomas Carrasco, Lalo Lopez and Elias Serna. This biting humor performance piece lampoons both the left and right extremists in our society, from a Chicano point of view. LOCURA LO CURA / A LITTLE MADNESS WILL CURE IT will humor you, make you angry and hopefully fill you with a sense of the exaggerated craziness that is our modern reality.
