Party-Nominated Offices

Only voters who disclosed a preference upon registering to vote for the same party as the candidate seeking the nomination of any party for the Presidency or election to a party committee may vote for that candidate at the primary election, unless the party has adopted a rule to permit non-party voters to vote in its primary elections.

Voter-Nominated and Nonpartisan Offices

All voters, regardless of the party preference they disclosed upon registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated or nonpartisan office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate. The party preference, if any, of a candidate for a nonpartisan office does not appear on the ballot.
