Dear Neighbor,

This month, COMO and SAFE are working together to implement OPERATION IDENTIFICATION to identify your valuables. The purpose of this program is outlined in the SAFE brochure.

Your neighbor (see back) should be coming by on the date listed with an engraver so that you can mark your valuables (eg. TV, stereo). Your neighbor, if you prefer, will be glad to wait outside while you mark your valuables with your drivers license number, but please try to be no longer than 5 minutes as they have other homes to visit. When finished, your neighbor will provide 2 SAFE stickers to put on the front &/or rear of your home.

If you prefer to borrow the engraver, either because you do not have time to mark your valuables upon their arrival or you have more valuables you would like to mark, so indicate, and your neighbor will make arrangements to lend you the engraver for a day.
