GREENING
OUR OWN BACKYARD

A UNIQUE JOINT EFFORT
TO RAISE A PARK!

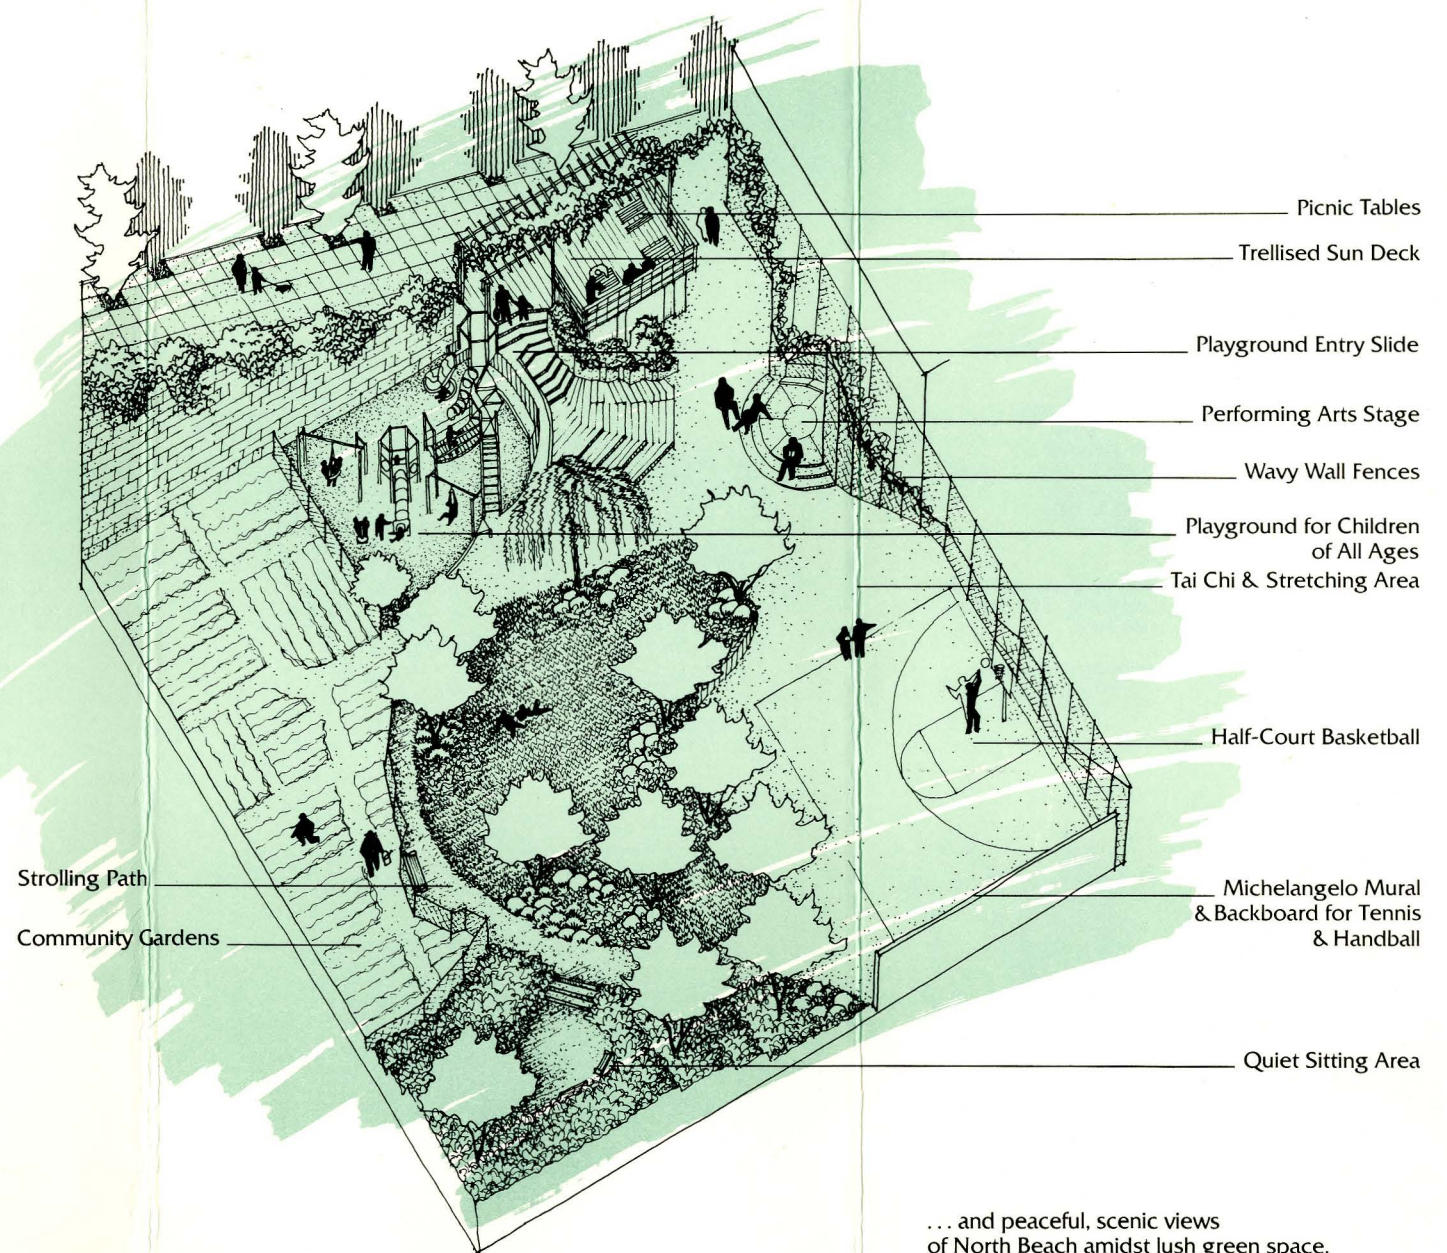

North Beach is a rich multi-ethnic San Francisco community. Shops, restaurants, coffee houses and specialty food stores attract visitors from around the world. Located two blocks from the famous "crooked" street, and near historic Fisherman's Wharf, Michelangelo Park will offer a welcome breath of fresh air.

This monumental effort began in 1984 as a project of North Beach Neighbors. Since early '87, community members together with Recreation and Park and the Department of Public Works have designed, planned and executed a special program that combines the talents of professionals with community volunteers. We now need your help to transform this empty lot into a beautiful green space.

Present and future generations will benefit by your contributions. For more information call: (415) 673-7074.
