Deck the Portola

On Saturday, December 8th, a small, but dedicated group of volunteers set out to accomplish one task-decorate the Portola for the holidays.

With ribbons and bows in hand, these volunteers single-handedly made San Bruno festive in a day's time. Meters were candy-striped with ribbons and bows were hung up.

Bystanders received newsletters and magnets and the volunteers enjoyed a delicious, hearty lunch at Zone 88 afterwards.

Thank you to all the volunteers that came out-it made a visual difference on San Bruno.

One of the goals of the PNSC is to work on business attraction and retention on San Bruno Avenue and to fill vacancies, so we are very excited to have these vacancies filled.

Overview of Recent Laws (from p. 1)

San Francisco to pay their employees compensation for sick leave. San Francisco is the first city in the country to require this compensation. The law states that employers offer their workers one hour of paid sick time for every 30 hours worked. The limit of paid sick time per employee is 40 hours if your business has less than 10 workers and 72 hours if your business has 10 or more workers.

Paid sick leave can be used not only for personal illness of the employee, but also for the purpose of taking care of ill family members. Employees included under this law include full-time, part-time, temporary and domestic workers like housekeepers. Employers have the right to require workers to let them know well in advance if and when they will take sick days. For more information, call the San Francisco Office of Labor Standards Enforcement at 415-554-6271 or go to: http://www.sfgov.org/site/olse_index.asp?id=49389.

Universal Healthcare for Uninsured Workers
Employers of medium and large businesses are required to provide coverage for their uninsured employees or pay a fee to the City. The law was challenged last year in court by the Golden Gate Restaurant Association and the case was ruled in favor of the Golden Gate Restaurant Association. The City appealed the decision and a final judgment won't be made until this summer or fall. However, the law will be allowed to be in affect during this appeal period, the court decided in January. It applies to businesses with at least 20 employees and non-profits with at least 50 employees. The specific coverage amount will be set by the city. For more information, call 415-615-4500 or go to www.healthysanfrancisco.org.

Looking Ahead: The Upcoming New & Improved Portola Library

by Roz Chang, Portola Branch Manager

A public branch library has been in the Portola neighborhood since 1927. It has existed in several locations, but has always been in a rental space. When the new Portola library building opens, the branch will be in a San Francisco Public Library-owned building for the first time. The Portola Library staff and I are very excited about this opportunity to expand our services to the community. I've been at the Portola Branch since 1995. Even though opportunities to work at other branches have come up, I've stayed here because I just love working in the Portola.

The new library will be in a 6,300 square foot space, which is approximately twice the size of the current location. Amongst other features, the new branch will have a program/meeting room, where special performances will take place, and community groups will meet. We'll be able to offer programs like High School and Beyond, and after school homework for the many students who use our library after school. We'll have a dedicated Teen Area so that our teens will have their own space to learn and grow. We'll be able to hold computer trainings and different workshops in

the program room. We'll have more space for school visits and parent/child activities. We will have 19 computers stations for public use (with internet access, word processing, and Excel available), wireless internet access for those with laptops, and self check-out machines for those who prefer to check out their own materials.

The Portola staff looks forward to serving the community in a twenty-first century building. We also look forward to meeting our new neighbors, scheduling school class visits, and visits from other community groups. In the meanwhile, the Portola branch library on San Bruno Avenue (at Silliman Street) is open for business. Please come by and visit us soon!

Volunteer for PNSC

If you are interested in volunteering for the PNSC, please contact Ling or Jenny. We are always looking for more volunteers to help write articles for the newsletter, volunteer at the annual festival, or start up new projects to improve San Bruno Avenue Corridor.

Why Do You Shop on the Avenue?

by Jarvinia Li & Lia Smith

"We buy donuts, eat at Round Table Pizza. San Bruno Avenue is our kitchen away from home. We love the library. I have children at Martin Luther King Jr. Middle School and the Avenue is very convenient. A video store might be nice."

-Malika and Mark Valentine

"Sometimes I pick up seafood at San Bruno Market. It's a little more expensive than Chinatown, but I live close by and I work here. It's convenient."

-Yu Xin

"We're here every day. We shop at Ruth's, come for the Walgreen's specials and get school supplies. We live right down the street."

-Sonja Edwards and Corey Nelson

"Oh, I'm here at least every other day. I'm a big fan of the tacqueria. I buy food from the produce stores. The library's great. The bars are pretty cliquish. It would be nice to have a hang out place, a bar where just about anyone could kick it. Maybe a record store...I can't think of anything that's missing."

-Jacob Price

"I get coffee at the Fat Belli Deli. Thank goodness they're here. I can't live without my lattes. I spend my dollars in the neighborhood at the restaurants, meds at Walgreen's. I opened San Bruno Herbs Trading Company a little over three years ago. It's a bit slow, but I'm patient."

Meet your Merchant: Sergio Lee, Han Hing Herbs Company by Lia Smith

This is the fifth article in our series about Portola merchants and their visions for San Bruno Avenue.

All About Jenny

Jenny was born and raised in the Bay Area. She is looking forward to getting to know and learn from the community about the Portola's needs and problems.

She especially wants to work with the small businesses on San Bruno to make the Portola a great place to visit and live.

Her other goals for the year include improving her Chinese and getting more merchants on San Bruno (especially the Chinese ones) more involved in their community.

Her parents own a small business so she's committed to finding strategies and resources for helping small businesses.

She has an interest in social and environmental issues. In the future, she wants to work in China on these issues and build viable, sustainable cities and communities.

In her free time, she likes to eat, dance, listen to music, read, laugh, and travel.

Jenny graduated from the University of Redlands with an emphasis in Sustainable Development in China.

Sergio Lee, who speaks Spanish, Chinese, and English, opened Han Hing Herbs Company in 1997 after taking over the location from a relative. "He thought it was a bad location and didn't see a future, but I did," Sergio said. "It was close to freeway access and there wasn't a lot of competition."

Back home in Nicaragua, Sergio Lee ran a Chinese grocery that carried Chinese herbs, but he and his family fled their country because of the civil war. Fortunately, they have done well in the United States. Although he had retail business experience, it wasn't until Sergio opened Han Hing Herbs that he began offering acupuncture. There are currently two acupuncturists on staff. The Chinese-speaking doctor works Monday, Tuesday, Friday and Saturday. Dr. Li Yun Ye speaks English, works Wednesdays and Sundays, and accepts insurance. Treatments are \$40 and walk-ins are welcome. Sergio and his staff are happy to explain acupuncture to prospective customers.

Sergio has a good customer base and reports that business has picked up. Fifty percent of his customers are Spanish-speaking and the others are Caucasian, African-American and Chinese. Some customers are walk-ins, but many are regulars and those who've heard about Han Hing Herbs Company through word-of-mouth. "People come here for alternative medicine," Sergio said. "They've tried western medicine but maybe it hasn't helped." His customers vary in temperament. "The differences aren't bad or good. They are just cultural. Some customers are very patient and courteous. Others are in a rush and want to be first no matter what." He shrugged his shoulders. "That's just how they are."

Sergio has seen a lot of positive improvements on the Avenue. "There are more people now, the electric power lines went underground, street lights have been added and the street cleaning is better. The trees are nice but I wish people cared about them. I've seen people step on the plants in the tree basins. We need to give them a chance to grow." He has never had trouble with theft. "Sometimes troublemakers target people who don't speak English. I think, over time, there will be more businesses and the Avenue will be safer. There will be less crime." The stores he sees as missing are a shoe store and a ladies clothing store. "The shop spaces are small, though. A video store would be okay." He would like to talk to other merchants but doesn't want anyone to misunderstand and think he wants something from them.

What Sergio would like to see in the near future is more police presence. "Or hire some security guards. That would be cheaper." He would also like to see property owners keeping up the storefronts. For his part, Sergio brings his business to his neighbor merchants. He banks at Bank of America, eats at the restaurants, buys flowers from the Botany Shop and shops at San Bruno Market.

Sergio has worked hard to make his business a success, putting in ten hour days seven days a week. Recently, however, he has cut back to six days because he and his wife now have a baby. When asked what he enjoys most about his work, Sergio said, "It's a good feeling to help people get good healthcare. I am helping people. It's satisfying to help people keep healthy."

向前瞻：未來全新和改善的 Portola圖書館

Roz Chang, Portola圖書分館館長

自1927年以來在Portola區設有一個公立圖書館。它曾位於不同的地址，但經常都是租借地方。當未來新的Portola公立圖書館開放時，它將於三藩市公立圖書館第一次在此區擁有的圖書館。Portola圖書館的職員和我對此擴大服務社區的機會，均感興奮。我自1995年以來即在Portola分館工作。即使有機會到其他分館工作，我仍然留下來，因為我喜歡這個地區。

新圖書館面積將為6,300平方呎，約等於目前分館兩倍。除其他特色以外，新分館將包括一個計劃／會議室，可以舉行表演和社區會議。我們將提供像High School and Beyond（高中和以外）等計劃，和為在下課後使用圖書館的學生提供課後家課計劃。我們將指定一個青少年專區，讓他們有自己學習和成長的空間。我們可以在計劃室舉辦電腦訓練課和其他講座。我們將有更多的空間供學校參觀使用和家長／兒童活動用。我們將有十九部電腦供大眾使用（包括上網，打字，Excel等），供手提電腦用的無線上網設備，以及可自己登記外借材料的機器。

Portola的職員展望在此二十一世紀的建築物繼續服務社區。我們同時展望與新鄰居會面，安排學校訪問，和其他社區團體的訪問。與此同時，Portola目前在San Bruno Avenue（在Silliman Street）的分館仍然開放服務。請前來使用參觀！

三藩市提高標準 (from p. 1)

最新最低時薪

規定三藩市的僱主支付其僱員的病假。三藩市是全國第一個設定此例的城市。法律訂明僱主為僱員每工作三十小時，給予一個小時的病假。如果你的商業僱員人數在十人以下，有薪病假高限是四十小時，如人數在十人以上，高限是七十二小時。有薪病假不只可用於個人生病，亦可以用於照顧有病的家人。此法包括全職，兼職，臨時，和家居工作者例如家務工作者在內。僱主有權要求僱員事前通知，如果他們將告用病假的話。查詢詳情，可致電三藩市勞工標準執行局，415-554-6271，或上網http://www.sfgov.org/site/olse_index.asp?id=49389。

為無保險員工提供普及醫療保險

中型或大型的僱主，規定為無保險的員工提供保險，或付費給市府。金門餐館協會去年入稟法庭挑戰此規定，法庭判金門餐館協會勝訴。市府其後上訴決定，結果要等到今年的夏天或秋天始告分曉。但是，法庭在一月決定在上訴期內此法律仍然有效。它適用於最少有二十個僱員的商業，或最少有五十名僱員的非牟利機構。具體的承保額將由市府決定。查詢詳情，請致電415-615-4500，或上網www.healthysanfrancisco.org。

晚餐和漫步—2008年三月二十八日 下午六時卅分至八時卅分

PNSC再次推出Supper and Stroll“晚餐和漫步”的活動！這個活動讓Portola區的居民有機會一起在San Bruno Avenue享用一頓美食。我們會邀請San Bruno一名商人參加，表揚其經營良好商業和對Portola社區的貢獻。

第一個晚餐和漫步活動將於三月二十八日星期五下午六時卅分至八時卅分在Zone 88舉行。Zone 88位於2428 San Bruno Avenue。活動正好與Family Connections每個月最後一個星期五提供免費托兒時間相同。該服務時間由下午六時至九時。服務照顧三至十一歲能自己上廁所的兒童。費用如來自同一個家庭，第一個兒童三元，以後每個兒童兩元。家長需要預早向Family Connections的Mimi Bui留位，415-715-6746。托兒額只有十五個，先到先得，所以敬請提早登記。

請加入我們的晚餐和漫步節目，並認識你的鄰居！

2008年三月二十二日第二屆春節

介紹...

Jenny是在灣區出生和長大。她展望認識和了解更多Portola社區的需要和問題。她特別希望和San Bruno的小型商業合作，使Portola成為一個更理想的探訪和居住地區。她今年的其他目標，包括改善她的中文，和爭取San Bruno街更多商人（特別是華裔商人）參與社區活動。她的父母經營一個小商業，所以她將致力尋持幫助小型商業的方法和資源。她對社會和環保議題均感興趣。未來她希望能前往中國參加此類工作，和建立有活力，可存續的城市和社區。在公餘的時候，她喜歡飲食，跳舞，聽音樂，閱讀，笑，和旅遊。Jenny在University of Redlands畢業，側重中國存續發展的研究。

恆興中藥行

這是我們一系列介紹Portola區商人和他們對San Bruno Avenue願景的第五篇文章。恆興中藥行的老樣Sergio Lee能講西班牙語，華語，和英語，自一九九七年從一名親戚接手該址後開設此中藥行。“他認為這個地點不好，沒有前途，但我的看法不一樣，”Sergio說，“它靠近高速公路，而且競爭不多。”

Sergio Lee在尼加拉瓜時開設一家雜貨店，也有出售中藥，但後來因該地內戰他們雜開。幸運的是，他們在美國發展很好。雖然他有零售的經驗，直至他開辦恆興中藥行後他才開始提供針灸服務。他有兩名針灸師，一男一女。講華語的針灸師星期一，二，五，六工作。Dr. Li Yun Ye講奇語，在星期三和星期日工作，並接受保險。治療是四十元一次，歡迎隨訪。Sergio和他的職員都很樂意為顧客說明針灸的作用。

Sergio在很好的顧客基礎，他的生意不斷發展。他的百分之五十的顧客都是講西班牙語的，其餘的包括白人，非裔，和華裔。有些顧客只是隨訪，有些則是定期顧客，也有些是聽到口碑而來光顧的。“人們來這裡用另類醫藥，”Sergio說，“他們厭倦了西藥，可能是效用不大。”他的顧客脾性各有不同。“那與好壞無關。那只是文化不同罷了。有些顧客十分有耐性和客氣。有些則匆匆忙忙，不論什麼情況都希望先服務他們。”他聳聳肩，“就是這樣。”

Sergio看到此街道有不少正面的改變。“現在有更多人流，電線安裝入地下，增加了街燈，街道亦比以前清潔。樹木很好，但我希望有人照料它們。我曾看到有人踐踏樹盤的植物。我們需要給它們機會成長。”他從來無被竊的問題。“有時搞事者專以不講英語的人為對象。我想經過一段時間後這裡會有更多生意，而街道也會更安全。罪案會較少。”他認為此街道缺少了鞋店，和女裝衣物店。“但這裡的鋪位空間較小。錄映帶店就沒有問題。”他希望和其他商人交流但不希望別人誤會他想打什麼主意。

他希望不久之將來此街道有更多警察。“或聘請更多的保安人員。那或者會便宜一點。”他亦希望商店的店主保持櫥窗美觀。Sergio自己有光顧本區的商業，他用美國銀行，在此區的餐館進食，從花店買花，和在San Bruno Market購物。Sergio辛勤工作，務求生意成功，他每天工作十小時，一周七天。但是，最近他改為六天工作了，因為他和妻子新有一名嬰孩。問他最喜歡他工作什麼項目時，Sergio說，“幫助人們取得健康的護理感覺很好。我在幫助人。幫助別人保持健康使你有滿足感。”
