CANDIDATES FOR SUPERVISOR

Ask the tough questions • Support your neighborhoods

Dear CVIA Member,

The November election could be a turning point for the City. It is therefore important for all of us to make an informed choice when we vote. To that end CVIA has joined with the other neighborhood groups in our district, 5, to present the candidates and solicit their views on the issues that are of primary concern to our members.

Please make every effort to come and be an active participant at these meetings. We hold the future of the City in our hands.

Post the attached map on your refrigerator now, so you will have a reminder!

Yours truly, CVIA Board of Directors
